

Orgill Primary School

Parent Partnership Week

We are delighted with the feedback following our first Parent Partnership Week and hope to get even more parents involved with our next one.

The week commencing Monday 6th February will be packed with events for parents to get involved with.

This leaflet contains information about each event including a timetable and information regarding bookings.

We will be taking photographs of each event and these photographs will be used on our website and social media pages. If you do not wish your photograph to be used, please speak to a member of our Senior Leadership Team.

Competition!

We will have a competition that will run throughout Parent Partnership Week.

For every event you attend, your name will go into a prize draw to win a food and wine hamper.

A name will be chosen on Friday of that week.

Parent Learning Walks

We have three parent learning walks available:

- [Read Write Inc. Phonics and Literacy & Language](#)
- [Mathematics](#)
- [Music](#)

These learning walks give you an opportunity to find out more about these subjects. Our leaders in these areas will walk you through sessions across the whole school discussing our approach to teaching and learning.

Places can be booked using the School Gateway app. We have limited places available so please book early to avoid disappointment.

Parent Drop In Sessions

If you have a child in our nursery or our two year old provision why not make an appointment to drop in and chat about their progress? Sign up sheets will be available in the unit.

Meet our My Book Blog Ambassadors & see how our library works

See our library in action! Our children will show you how it all works and answer any questions you have.

Meet our School Councillors

Come along to our School Council session to find out more about their role in school and meet Janet Wadsworth, our Pupil Voice Ambassador.

Parent Voice and Book Look

Pop along to our coffee afternoon where you will have the opportunity to chat with our Senior Leadership Team, representatives of the Governing Body and Friends of Orgill.

Whilst you are here you can pop along to your child's class (Years 1 to 6) and have a look at their work so far this year.

We will have computers set up to give you access to Parent View which is a quick questionnaire to give feedback about our school.

Sensory Sessions

Explore your senses and spend some time with your child in our sensory room. 20 minute slots available on allocated days, please check the timetable.

	Morning	Afternoon	After School
Monday	11:00am - Mathematics learning walk.	Sensory Session (KS1) 2:45pm - Meet our My Book Blog Ambassadors & see how our library works	
Tuesday	9:00am - Read Write Inc. Phonics and Literacy & Language learning walk.	Sensory Session (E.Ys)	Drop in sessions for nursery and two year old parents.
