

# Year 6 Online Safety Dilemmas

Key Vocabulary		
	<b>Digital Footprint</b>	Information about everything you do online.
	<b>Troll</b>	A person who upsets someone intentionally online.
	<b>Communicate</b>	Share or exchange information.
	<b>Phishing</b>	Internet fraud that aims to steal valuable information like credit cards, usernames and passwords.

## What I need to know:

- Although games may have Codes of Conduct, some people will still act inappropriately.
- Every app has a way to block or report inappropriate behaviour.

- It is my responsibility to learn what is appropriate behaviour on the apps I use.

- It is my responsibility to report inappropriate behaviour on the app or to a trusted adult even if it is not happening to us.

- There are websites available to support people's mental health and wellbeing while being online.

- Apps and games are designed to be addictive and can make us want to spend all our free time on them.
